We are the elite.

We'll all have this year to remember for a long time. We've achieved some goals we've been wanting for years: a *real* "kikker" dance, a new gym and additional classrooms, a new computer for attendance, cafeteria improvement and another district win for Cross-Country. On the national level, January 20, will be a day recorded in history. Our 52 Americans who were held in captivity came home, and we gained a new President who promised to put us back on our feet. No matter what has happened this year, we have learned something that will never be forgotten, we are the best and always will be.

Good Times

In the spirit

Every Friday, for the first ten weeks of school, at 8:30, we filed into the stadium, and prepared to watch the cheerleaders, Tro-janns, twirlers, Egor, and flag corps cheer on our football boys. The varsity cheerleaders organized the pep rallies, scheduled each skit, cheer, and performing group just at the right time. Each week the spirit competition yell between grades was held. Getting more students involved and promoting spirit was the main goal of the cheerleaders. Senior boys decided to help out by forming a "Kazoo Band." Each week the Kazoo Band had new cheers for the student body to hear. Another familiar sight at the pep rallies was Jill Liming who sang the "Star Spangled Banner" and the school song for the past two year.

Game nights add smiles

Friday nights are commonly known as "Game Nights" at FP. Football, Basketball and Baseball are all played on Friday nights at different times during the year. To the players, their game night is the highlight of the week. During football season, the band, Tro-janns, flag corps, Egor staff and twirlers perform. The spectators add even more excitement as they cheer everyone on. A new addition to game nights was "Balloon Girls." They sold blue and silver balloons during football games for Student Council. The group consisted of: Julie Bailey, Amy Netterville, Barbra Whelan, Frances Wilson, Debra Davis, Juliette Prejean, Elizabeth Ruddy, Evette Prejean, Charlotte Koch, Lisa Pink and Cindy Anderson. Whether we won or lost, we all knew that no other place had game nights like us.

A Trojan "Howdy" — Texas Style

"Go West" was the theme for this year's Howdy dance. It was the first casual western dance in Forest Park's history. Texas Tradition played the boot-stompin' music. However, for those who did not know how to two-step, Pat Walker taught country and western dance lessons on Tuesday night of Howdy week. Amy Netterville and Webber Ferguson reigned as Howdy King and Queen from 10:00 to 12:30 Howdy night, September 19 after the football team played Bridge City.

Homecoming '80 takes off

The cold, crisp air set the mood for Homecoming '80. All week, students dressed up ... tacky, western, with hats — you name it! The bonfire, Tuesday night, set everyone in a Homecoming mood. The pep rally was the most spirited all year. Each club made a float to add color to the atmosphere. That night, even though the football team played TJ — 2nd ranked in state — the crowd stood behind them. Then the moment came that everyone had been waiting for — halftime. The field, shining in splendor, as the Princesses, Duchesses, and Queen-to-be lined up. The crowd, anxiously awaiting the announcement of the 1980 Homecoming Queen — MaryAnne Whittsit.

Dashing through the halls, with a clipboard in my hands, judging door decorations as fast as we can. That was the thought of local T.V. personalities as they judged the Christmas decorations each first period class put on the door. The Grand Prize was won by Mr. White's first period Ag class.

Many of the doors were featured on the T.V. news show "Live at Five."

To add to the festivities, members of the senior class decorated the Christmas tree at Gulf States. The Student Council went and cut a tree that stood two stories high. The group placed the tree in the library.

Traditionally, a King and Queen are elected for the Winterball dance. The new King was Michael Leslie accompanied by Joy Brown.

Twirp Sweethearts

All week long, the girls are required to pay. That is what Twirp is all about. Each day during the week, is a dress-up day and there is an activity that night. Monday was concert T-shirt day and a dinner of the boy's choice. Tuesday, everyone dressed in their dad's army clothes and went skating that night. Punk rock day was Wednesday, taking it easy that night by attending the school's annual play production, which was "Music Man." Thursday was the most enthusiastic day because so many people participated. Western wear was the clothing and activity was a movie. Friday was Sweetheart day with the dance that night. Dukes were chosen during the week and announced at the dance. King was Webber Ferguson.

This year's Jr.-Sr. Prom theme was "Hawaiian Sunset." The band for the dance was Houston Rock. The juniors made all the preparations for the dance, providing decorations and refreshments. Chris Owens was the photographer. The background for the pictures was a ship sail.

Jim Cumbie said, "I had a blast, we danced the night away!" The band played a variety of music, though "kikker" songs were the most requested. The King and Queen were announced at the first break. Mark Bowles and Alice Blackwell took the titles.

A night to remember?

There are many things I remember about my senior prom. Eating all that food at the Red Carpet Inn. Powerhouse played the Commadores all night long. (It seems like Powerhouse was the band at almost every dance I went to at Forest Park.) When the band took their break, the group that was selected played our senior song. (I don't know which I liked better, Powerhouse or our group.) Chris Owens took our pictures — he made us look at each other. Everyone was acting crazy. But, all in all, I think it was fun for everyone — truly a night to remember.

Big day becomes big bash

On April 29, at 12:15, the student body and faculty made their way to the Trojan Stadium for a day of fun in the sun.

This year's Trojan Games Day featured many activities. The bull riding on the mechanical bull became a great success. A new game was played, "Kiss and tackle," the usual dunking booth, and of course the bands. Frisbee, volleyball, and football was seen on the middle of the field.

The day did not go without food. Hotdogs, snowcones, candy, cookies, Cokes, and ice tea were a few of the items. Each club took on the responsibility of providing an item.

The day was also captured in pictures. The camera club took Polaroid snapshots and sold them.

The student council sponsored the day.

"This was the best Trojan Games Day ever!" said Todd Hickman. Many people agreed with him.

Dedication to

Mrs. Margaret Kirkendall

It is usually not a tradition to dedicate the TROJAN, but this year's staff decided to change that because they felt there is someone that deserves that special honor. Mrs. Margaret Kirkendall has been the director of student activities for nine years. "Miz Kirk" has made a lasting impression on the many students and colleagues she has encountered, and will be remembered by all.

"Music Man": HELD OVER

Tryouts were held in the late fall, for the annual play production. Webber Ferguson and Jill Liming were chosen for the leading roles. Cindi Surratt, David Klosterboer, and Lee Ann Langford had other leading roles.

The Choreographers for the dancing scenes were: Linsa Lanham and Vicki Glasgow. The musical director was Walter LaForge. Ms. Kay Ogden was the acting director. The assistant director was Lisa Modica. The many nights of hard rehearsal resulted in sell-out performances and one night held over. Michelle Nicholas, one of the dancers said,

Egor comes alive

The 1980-81 Egor Staff sported flashy new uniforms for the pep rallies and football games. The blue t-shirts and the blue and grey outfits were bought by the staff.

Likewise, Egor made his appearance at the rallies and games in a new coat of paint. He also went on "Safari" during the Homecoming Parade when their float was decorated as a jungle scene filled with palms, animals, and exotic birds.

Egor "came alive" to help boost spirit when Robert Calvert was asked by the PTA to be a flesh-and-blood mascot.

Flag Corps marches on

The Flag Corps had a busy year. "Being part of the band, we have to keep up with them," said Donna Smalley.

The corps marched with the band during halftime performances at football games. They also performed by themselves at pep rallies and a few basketball games.

Captain was Jenny Gee. Lieutenants were: Debbie Deland and Theresa Sawyer.

Some of the activities the group participated in included the Vidor Homecoming Parade, Neches River Parade.

The theme of their float for EP's float contest was, "Egor goes to the Northpole."

Industrial Arts gains charter

A new club was introduced to Forest Park this year. The Industrial Arts and woodworking classes decided to form a club with Coach Ian Stewart as the sponsor.

Every year the students have certain projects they work on during the school year. This year, students entered 36 projects in the South-East Texas Industrial Arts Fair at Parkdale Mall. All projects qualified for State competition in Waco.

Doug Bertrand took 4 first places and the advanced woodworking award. Kyle Riggs took 3 first places and a second. Ken Sharpless took 2 first place awards.

Also taking first place awards were: Kevin McGovern, Greg Beaver, Gary Marino, Greg Goins, John Faraci, Kevin Breaux, Ben Thompson, Pat Fertitta, John Bartlett, Brian Booker, Chuck Walsh, Davin Kobrin, Allen Arnold, and Gene Bordeman.

The Trojanns kicked and high-stepped their way through an exciting year. The Astrodome was the stage for their performance with the Trojan band during a Houston Oiler game in August. Only days later, their participation in the Muscular Dystrophy Association's annual "Kick-a-Thon" netted $1,600 for the charity.

Half-time performances and hall and locker decorations occupied most of the girls' time during football season. They capped it off with a Bar-B-Que for the football team and coaches.

But the year didn't end with football; the team performed at four basketball games and the Miss Texas Drill Team Contest in Dallas March 7.

Row 1: Pam Bryant, Jennifer Buckley, Cheryl Cone, Mary Katheryn Moss. Row 2: Courtney Fowler, Paige Kreager, Felecia Adams, Jennifer Whitley.

The tradition of electing freshman cheerleaders by the freshman class was carried out.

The girls cheered at the freshman athletic events and the pep rallies. Ms. Gwynn was their sponsor.

Choirs excel in UIL competition

Mr. Walter La Forge had the choirs practicing their "ohs, ahs and eehs" and the major and minor scales.

For their first performance at Fletcher Emmanual Baptist Church and Amelia Baptist Church, they wore their new uniforms. The girls' dresses consisted of long navy blue dresses and the boys wore blue tuxedos.

For their money-making project they sold porcelain figures and M & M candy. They toured the elementary and junior highs during the year.

The Chamber Singers and the Girls Choir planned a trip to Dallas from the funds made with the candy sale.

Eighty-Five 1st division medals were made in the UIL Contest, and from there, 42 students went to State contest in Austin.

Students view German TV series

Throughout the year, German students viewed films of an old German television series, "Der Komisar."

The beginning of the year found German Club members, along with Herr Dunn, feasting on German food at a wurst dinner.

The annual Gummie Bear sale was held in October, and was a successful fundraiser. A progressive dinner took place in December, and a party celebrating New Year's occurred later.

For a change of scenery for one of the club's meetings, the members bicycled to Tyrrell Park. The TAGS convention was held in Arlington this year.

A formal induction ceremony was held for all 60 new members. Refreshments were served by the Latin II, III, and IV students.

The club participated in the Gulf Coast Classical Convention, held in Houston. They also attended the State Convention in Rosenberg, and the National Convention in Miami University in Ohio.

At the end of the year, an awards banquet was held at Don's Seafood Restaurant. Students who had participated in contests and had done an outstanding job in Latin received an award.

Ethel Emmons was the club's sponsor.

Camera Club "develops" in '81

Another new organization was established at FP in '81: The Camera Club, sponsored by Ms. Cay Smith.

Club members built a winning float for Homecoming entitled "Egor Goes to Hollywood" depicting a movie set with Egor saving the damsel in distress from the dreaded Yellow Jacket.

Club members also took Polaroid snapshots for Games Day which sold for $1.50 each.

Stylus: the magazine for expression

Stylus, FP's literary magazine began a great year by taking a field trip to Galveston. They went to see Charles Dickens', "An Evening on the Strand."

Another highlight for the creative writers, was when Gordon Baxter, author of "Village Creek", came to speak to the class about the life of being an author.

Editor of the magazine was Carol Beck. Other editors were: Cindi Surratt, music editor; Michelle Nicholas, art editor; Colleen Robertson, copy editor; Tracy Fowler, layout editor; Julie Ryan, photography editor; and Jenny Gee, copy editor. Board members were: Ford Pratt, Julie Gabriel, and Dena Abney.

Student Council has many activities during the year. Preparing dances, blood drives, Trojan Games Day are just a few. Choosing officers are very important because these are the people who organize it all. Debra Davis served as president and Webber Ferguson held the office of 1st vice-president. Changes mark '81 Populi Verbum

Change was prevalent in the nine issues of Populi Verbum for the 1981 school year.

Every issue in face, was an experiment in different type styles and layouts. Halfway through the year, the staff decided to switch to a newsmagazine format, which was characterized by a more cosmopolitan view of student issues.

Topics such as college and student profiles and reviews were covered in special sections of the magazine, with a center spread and cover dealing with one main student-related issue.

Lead staffers for the year were: Danya Cable, editor; and Michael O'Quinn, assistant editor.

Varsity ends season with 2-8 overall

With only two wins on the season record, FP Varsity football players feel like they have learned a lot. Wide-receiver David Madden said, "Even though there were problems with some team members, I feel like I have learned more about myself than when we won the district title our freshman year." Several sophomores stepped onto the field the third game. Kelly Kroutter, Mike Butts, and Tim Beckman played outstanding ball and earned starting positions for the rest of the season.

Defense had the worst problems of the season. Sherwin Hudson said, "We didn't pay enough attention to technique."

Players receiving honorable mention from Beaumont papers were: James Bood, Glynn Walker, and Brandt Hinojosa. Team Captains for the year were Pat Shelton, Jim Cumbie and Bill Reilly. The Trojan team awards were voted on by the coaches. David Hines, best blocker; Richard Gilley, best back; Pat Shelton, MVP defense; Keith Weathers, MIP; Greg Brown, forgotten man; and Gaylon Stanley received the most spirit award.

JV has hard year; 2-8

The JV team had high hopes after defeating Vidor, their first game, 26-16. This win showed a strong defense and an exploding offense. Coach Carswell said, "It was a well-balanced attack." This showed up by their second victory against Lincoln, 14-6. The rest of the season was a disappointment. Most of the JV players were moved up to the varsity squad. The team was defeated by Nederland 6-23, French 7-10, Vidor 9-21, TJ 0-44, WOS 6-33, PNG 6-14, and BCP 12-28. Hoopers bounce back for 15-15

The Varsity boys basketball team posted a 15-15 season record. The team was under the supervision of Coach Jerry Dienes. "We played as well as we could, eve though we were undersized and inexperienced," said Dienes.

The first round of district was disappointing, with FP only winning to Vidor. The second round, the team defeated Nederland, PNG, and Vidor, "We just played better basketball the second half," said Todd Hickman. The hoopers only lost by three points to the 5A state champs, Lincoln. "We improved ninety-five percent," said Sherwin Hudson.

The team took first place in the Liberty Tournament. They also participated in the YMBL Tournament and the Nederland Tournament.

Team starters were: Vernon Comeaux, Todd Hickman, Mike Moyers, Cass Jones and Brad Broussard.

Trophy brings recognition to JV

The JV basketball team posted a 15-10 season record. The club was under the supervision of Ronald Holmes, who led them to a district record of 9-7. There were 12 boys on the team and many of them will prove to be strong starters for next year.

"More came from this year's play than merely a 9-7 record," said Coach Holmes. "They tried hard and played very good ball," he continued.

On the tournament circuit, the team won the championship trophy at the Vidor Tournament, and received the consolation trophy at the South Park Tournament. This year the boys elected one of their most enthusiastic players, Brad Barksdale for team leader and captain.

Team starters were: Brad Barksdale, Todd Clark, Kevin Shumaker, Tyler Hunter, and Darrell Cunningham.

CC captures 18th district win

Once again the Trojan cross-country team captured what is becoming a tradition at Forest Park: the district title. When the distance for cross-country was ballooned from two miles to three this year, there were no groans emitted from Forest Park runners.

As winners of the district title nine years in a row and a total of nineteen years as district champs, this didn't phase FP. The team outdistanced Port Neches-Groves at Trojan stadium. Ian Stewart's crew wasn't concerned that the race had been lengthened 50 percent. "I think it's a benefit for the whole team because we work harder than anyone else," the Trojan cross-country boss said without hesitation. "The longer the distance the better off we are."

Golf swings to a season record

The boys Gold team, coached by George Turner was on the winning end of a good season. They placed second in district this season. "Striving for a better spot in the district play, the squad worked hard and had the attitude to win," said Coach Turner.

From the beginning, Coach Turner led the way by prep talks, teaching skills and team strategy. Turner also worked close by with the squad adding his talent of polishing their putting and driving the ball down the fairway.

Boys tennis wins again

A striving, hard-working Forest Park tennis squad had a goal to win District and place someone in Regional, and they achieved just that.

The team was under the supervision of Ian Stewart.

"We weren't as strong this year and possibly didn't play up to our potential," said Coach Stewart. "The team played hard and aggressively, to prove that they were number one," he added.

It was Jeff Boychuck that became the most valuable player on the squad, because of his exceptional ability and enthusiastic play. Jeff Boychuck was the individual that went to regional and placed second and qualified for state.

"But the whole team had devotion, spirit, and loyalty to get on top and remain there," remarked Coach Stewart.

Injuries didn't stop the Trojans to a Bi-District win.

Kenneth Bellaire, who was 2nd team All-District in 1980, injured his back and was unable to play the season.

Brandt Hinojosa, 1st team All-District catcher in 1980, was the only returning pitcher. Brandt was unable to pitch from a shoulder injury. He contributed to the team through his batting and catching.

Chuck Hancock, centerfielder, twisted his ankle and was unable to play the first few games.

The first round of District was disappointing to the team. They tied with West Orange-Stark for District with a 7-1 record. In a one game playoff WO-S took District with a score of 2-0.

In the second round the Trojans once again ended with a 7-1 record, tieing with WO-S again. This time the Trojans defeated the Mustangs 5-4. That put the Trojans in a best of three series with WO-S. The Trojans took the first and third game, winning District.

The Trojans then went on winning Bi-District, to Forest Brook. They then advanced to Regional and were defeated by the defending State Champs, Pearland.

Coaches for the team were Phil Pate and Ronald Holmes. Coach Al Rabb coached the JV team.

The Physical Girls

Not only boys can be successful athletes. This was proven so by the outstanding women athletes here at FP. Lori Barclay and Alice Blackwell placed on the first-team district volleyball team. Kathy Patrizi was placed on the second team. Jennifer Alexander placed 5th in Cross-Country district and this qualified her to represent FP in regionals. In basketball, Sarah Falcon and Marcia Rhodes placed on the second All-district team.

Varsity ties for 2nd

This year, the FP Varsity Volleyball team was under the supervision of Beth Hare. The players had to work harder and put forth a great winning effort to place them for second in the District final standings. This winning season record of 25-7 and a 13-3 District record was a good foundation for the coming years. The first half of the season ended and they were tied for first place in District. "Everyone did what they were supposed to do. It was a team effort and exhibited enthusastic playing to do so well in the district against strong opposition." said Coach Hare. This year's varsity honors were evidence of a great season. As the varsity traveled to the YMBL tournament, they won consolation, and in H-F tournament they placed third. There was also individual awards: Alice Blackwell lead by making the All-Tournament team in the YMBL and in the H-F tournament. Blackwell was also named to the 1st team All-District team. JV is undefeated

Boasting a 26-0 season record, JV volleyball team placed first in district and at the WOS and the Forest Park Tournaments, under the help of Marie Seaberg, who took the team this year, leading them to an impressive overall record. As for statistics, the Trojans fought well this season. Much good came from this year's JV volleyball team than merely a great record. This year's team had 15 girls on it and a lot of those are definitely future players for the next year's squad. This Junior Varsity shone like the sun leaving many disappointed opponents behind their light. The JV Trojans demonstrated their excellence. This year's team was lead by a hard worker and a team leader, Julie Lovoi, the team captain.

The new coach who replaced coach Doyle was Beth Hare. "We tried to pull together when we changed coaches," said Marcia Rhodes. "We had an unexperienced team this year," said Chearean Williams. The only seniors were Kyra Wells and Karen Whiddon. "We played as hard as we could," said Kyra. The best defense awards went to Paula Brown, Becky Fullerton and Susan Dreyer. 19-7 record for J.V.

The Girls J.V. basketball team was privileged to work under the coaching of Ms. S. Whiteside. From the beginning Ms. Doyle as varsity coach, led the way with conditioning drill. The J.V. finished the season with a 19-7 record. They placed second in the 16 team East Chambers tournament. "We were fortunate to have a well balanced team, with the ability to shoot outside as well as working the ball to the inside." said Coach Whiteside. Team leaders were two juniors, Paula Brown, who led the team with the most steals, and Sharson Gregorcyk, who could shoot from the outside or pass to our post player for the inside shot. Becky Fullerton, our tallest player, led the team with blocked shot and being top rebounder as well as leading scorer. Charean Williams, the point guard, had a game high of 19 points. Two players who played almost any position when needed were Camille Clark and Helena Gerstenberg.

Freshman girls look for future

The Forest Park girls' freshman basketball team, coached by Marie Seaberg, was on the losing end of a 4-16 season record. Striving for a better spot in district play, the squad had only 2 wins with 12 losses.

"There were a lot of very close games this season and the girls really played hard," said Coach Seaberg.

From the beginning, Coach Seaberg led the way with the conditioning skills and team strategy. Seaberg also worked closely with the squad adding her talent of polishing skills of offense and defense.

On the tournament circuit, the team played in two tournaments. The Groves Tourney and the South Park Tourney. This year's highest scorer for the freshman squad was Jill Leiferman.

Seniors anticipate graduation

"We're the class with all the fun! We're the class of Eighty-One!" Seniors were spirited this y ear. They contributed to the school by forming such groups as: TWA, Kazoo Band, and Secret Service. Christmas was also a spirited time for the seniors. They traveled on a Greyhound to Colorado for a ski trip.

Last year the seniors sold way over the quota for magazine sales, so this year, no fund raiser was needed. The seniors had their prom and picnic in style. Graduation was held at the Civic Center for the third year. On May 23, 416 seniors filed in alphabetical order and waited anxiously to receive their diploma.

Senior officers were: Roger Hurst, President; Robert Calvert, Vice-President; and Evette Prejean; Secretary.

Juniors lasso year

"I can't believe we're Juniors!" said Nancy Nield at a class meeting. The seniors of '82 are seeing that their last two years are the best. Class sponsors are: Ms. Blundell, Mr. Holton and Ms. Peavler. The magazine sale was successful and the funds went to the Jr.-Sr. Prom. Class officers were: Brian Bortorff, president; Melissa LeJune, vice-president; Nancy Nield, secretary; and Karen Carson, treasurer. Even though the Juniors came in third place in the spirit chain competition, they took first place in the Hall decorations contest. Duchesses for the Homecoming court were: Tania Turner and Kelly Whitney.

Fish net school year

Being new to a school is not easy, but this year's class of '84 showed how they could handle it. They placed second in the spirit chain competition and hit $3,000 on the M&M candy sale. Sponsors for the class were Ms. Abel, Mr. Adkisson and Ms. Simmons. The class officers were: Michael Meaux, president; Kim Taylor, Vice-President; Kim Kirkwood, treasurer; and Jennifer Alexander, secretary. "This school year has been different and I'm looking forward to the next three years," said Michele McKamy. Duchesses for the Homecoming court were: Kelly Bobo and Cheryl Cone. David Russell said, "I really am enjoying my first year at Forest Park; I hope the rest of my years can be this good!"

Picnic begins graduation festivities

On May 22, the seniors gathered at Rogers Park for some fun-in-the-sun and a bar-b-que picnic.

The food was catered by "The Little Red Barn." "The food was delicious," said Cindi Surratt.

Some seniors took the whole afternoon to eat, while others played a game of basketball or frisbee.

After the picnic the seniors went to the FP football stadium to receive their graduation caps and gowns.

While at the school, many seniors walked the halls for the last time. "It feels weird not coming back," said Robert Calvert.

The next morning, at 9 a.m. a graduation rehearsal was held at the civic center. When the rehearsal was over, everybody knew that there were only eight hours left before the big moment.

Mr. Edwards, Mr. Branham and Evette Prejean (A) discuss the activities. Greg Brown, Pam Farve, and Smiley Bill Rielly (B) pose for a picture. Eric Bernstein and Darrell Berwick (C) reach for a frisbee.

May 23, 1981 — 411 seniors … graduate!

The time finally came. At 7 p.m. the seniors lined up and thirty minutes later the exercises for commencement began.

Mr. Mallett gave a speech and presented the seniors to Superintendent O. C. Taylor.

Roger Hurst, who was Senior class president and Valedictorian, gave a speech. Vice-President Robert Calvert said the pledge of allegiance and Secretary Evette Prejean said a closing and opening prayer.

Seniors received their blue diplomas. Honor graduates received white diplomas and trophies.

Who put it all together?

The Trojan '81 staff was made up of 12 members and one advisor. The staff started in work in early September, preparing for ideas that they were going to work on.

Some staff members were initiated in the Quill and Scroll National Honor Society. They were: Michelle Nicholas, Janet Weigand, Julie Bailey, Charles Davis and Johanna Abshire. Second year members are: Cindy Steward and Laurie Womack.

A banquet was held at the Palace at the end of the year to celebrate getting all the pages turned in on time and to congratulate the new editor for next year.

Ms. Cay Smith was the advisor for the annual staff.

There comes a time

A yearbook yes, but more . . . a memory book, photo album, history book. It is a book for you, the students.

It is difficult to compress the '80-'81 year at Forest Park into 219 pages, somehow unifying those pages under a central theme. We have tried to emphasize individual achievement as well as groups, which many times have been pushed under the rug. We hope the index will be helpful to you, not only now, but twenty years from now when you are recalling your years at FP.

It was hard working 55 minutes a day knowing you have twice as many pages as days. With the help of our advisor, Ms. Smith, we were able to pull it off.

Special thanks to Chris Owens of Photo Concepts, Scott Collier, and Scott Sherron for their extra help in finishing the book. And again, thanks to the faculty and administration for their cooperation.

To some people, coming to school is boring and somewhat useless. To those of us who care, I hope this yearbook has represented FP in the best possible way. With the effort that my staff put into this book, I know it is the best ever. Good Luck and Happy 82!
